SEGUIN
TEXAS
It's real.

Garbage Service Information

Monthly garbage fee is $13.45 plus tax. This includes one-ninety-gallon garbage container per residence. The garbage container **must** be set **out by the curb or alley no later than 6:00 a.m.** For an additional container the fee is $6.20 plus tax per month in addition to the initial garbage fee. To sign up, see Utility Billing Department. ***Rates are subject to change.***

Items that will not be picked up:

- Hazardous materials/chemicals, motor oil and tires.
- Appliances with Freon.

For items that can not be picked up, you may contact the following County Collection Stations for fees.

Kingsbury Collection Station - 372-1754 - Old Seguin Luling Road
Seguin Collection Station - 372-1799 - Hwy 46 @ FM 467
Marion Collection Station - 830-420-2810

For Hours of Operation: Contact Guadalupe County 303-4188

Other Information:

To insure pick-up the following items must be placed next to your garbage container.

- Yard trimmings - leaves, grass, etc. must be bagged.
  Limit of 8 bags (30 gallon bags) per residence per week

- Banana plants, palm trees/leaves or bamboo; must be bundled, not to exceed 35 lbs. and to exceed 4 feet in length.

- Bulky Items-such as furniture, couches, mattresses, etc. Please limit the amount of items that are placed out at one time. Excessive amounts can not pick up all at once.

- **Progressive Waste will pick up paint cans—MUST BE COMPLETELY DRIED OUT. Please place next to garbage can.**

- Lumber must be cut no more than 3 feet in length, bundled weighing no more than 35 pounds and nails must be removed and placed next to the garbage container. Large pieces of lumber/wood /tree debris should not be placed in the garbage container at any time. Carpet also needs to be cut into smaller sections and bundled and weigh no more than 35 lbs and placed next to the garbage container.

- Progressive Waste will not pick up any other types of construction debris, such as sheetrock, shingles, tile, insulation, etc.
