JUNE EMPLOYEE OF THE MONTH TO RETIRE AFTER 34 YEARS OF SERVICE

SEGUIN, Texas – In the past, it was common for a company to have employees work for them for most of their lives. Now, loyalty to a job or company is harder and harder to find. However, the June 2016 Employee of the Month is a modern exception to the trend. After 34 years working for the City of Seguin, his colleagues feel bittersweet about saying goodbye.

Eff Dade is a service worker with the Facilities Department, and a colleague you can count on to get the job done. He's never fails to volunteer for an extra duty or assignment, and ALWAYS has a smile for anyone he sees.

But it's Eff's volunteer work after the work day is done that got him noticed for this month's Employee of the Month Award. Seguin Police Deputy Chief Bruce Ure nominated Eff for his tireless dedication to the D.A.R.E. Program. For the past 13 years, Eff donated a week of his vacation to create customized PowerPoint presentations used at D.A.R.E. graduations at local elementary schools.

"Eff also assists with other community events such as the Halloween Safe House, Moonlight Run, Blue Santa, and the Annual Cops and Kids (Badges, Bikes & Trikes) Picnic. He also contributes to every appreciation week we have for our department including Animal Care Services Week, Telecommunication Week and Law Enforcement Week. He even goes the extra mile to make sure we have enough for everyone's goodie bag," said Ure.

Eff retires from his paid post with the City of Seguin just days after receiving his 4th Employee of the Month Award, but he assures his colleagues it won't be the last time you'll see him.

“You’ll probably even see me *more* at the police station. I can’t wait to spend more time volunteering now that I’ll have extra time to give to the important program,” said Eff Dade.

Eff received a plaque and gift card for his commitment to the City of Seguin. We all wish him the best of luck as he begins his retirement.

Congrats to Eff Dade for being selected the June 2016 Employee of the Month!
