A. Bidders shall thoroughly examine all drawings, specifications, plans, schedules, instructions, and all other contract documents pertaining to this bid.

B. The term "Or Equal", if used, is intended to allow substitution of a brand which has all the essential performance, features, reliability, and other salient characteristics as the brand name and model stated in the item description. "Or Equal" is intended to establish a level of quality and function and is not to be interpreted as a preference for a particular brand. Other brands meeting these minimum requirements will be accepted. Bid submitted on an "Or Equal" item must clearly identify the proposed product, the quantity of the product, model, and type, as applicable.

C. Alternate bids will not be considered unless expressly authorized by the bid documents.

- J. By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the City of Seguin that all employees of the Contractor who will provide services on the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation.
