ADDENDUM NO. 1

TF-2016-25

Preston Street Pavement Improvements

This addendum modifies, supplements, and is hereby made a part of the bid document referenced above.

Pre-Bid Meeting Questions/Answers:

Q: What is the square yards for milling in the bid proposal?

A: The milling square yards will be reduced from 340 to 50 SY. Wedge milling the butt joints and longitudinal tie-ins along curbs, driveways and intersections was the intent. Revised Proposal Form is attached.

Q: Does the City of Seguin require a special kind of hot mix?

A: The mix needs to follow the TxDOT spec referred to in the bid package.

Q: Are there plans associated with this project?

A: There are no plan sheets for this overlay project.
