Bidders are prohibited from directly or indirectly communicating with City Council members regarding the Bidder's qualifications or any other matter related to the eventual award of a contract for the services requested under this Invitation for Bids. Bidders are prohibited from contacting City staff members regarding their qualifications or the

award of a contract, unless in response to an inquiry from a staff member. Any violation will result in immediate disqualification of the Bidder from the selection process.

Upon issuance of the Invitation for Bids, all bidder communications and requests for clarification or objections shall be directed in writing to the Assistant Director of Finance for response, determination and dissemination to all bidders. Any communication by bidders or their representatives toward other city officers or employees regarding this Invitation for Bids or the award of a contract are prohibited and will constitute grounds for disqualification of a proponent. A lobbyist or a proponent or any of their agents may not do any act or refrain from any act for the express purpose and intent of placing any City official under personal obligation to the lobbyist or proponent.

4. WITHDRAWAL OF BIDS

A Bidder may withdraw a bid only by a written request received the Assistant Director of Finance prior to the time set for bid opening. Bids may not be withdrawn after the time set for bid opening.

5. GENERAL CONDITIONS

Bidders will submit their bids upon the following express conditions:

A. Bidders shall thoroughly examine all drawings, specifications, plans, schedules, instructions, and all other contract documents pertaining to this bid.

B. Bidders shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of materials or equipment as required by the bid conditions. No plea of ignorance by the Bidder of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examinations and investigations will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.

C. All materials, equipment, supplies which are new, non-standard to the City of Seguin, and/or items which are to be listed as an alternate or exception must be pre-approved PRIOR to placing them on a bid proposal. In order to fairly evaluate all bids, sufficient time requirements for possible field testing or demonstrations should be allowed.

D. Bidders are advised that City contracts are subject to all legal requirements under Local, State and Federal statutes, ordinances, and regulations. Any bid, after being opened, becomes subject to the Public Information Act, Government Code Chapter 552; therefore bidders must clearly indicate any portion of the submitted bid that the bidder claims is not subject to public inspection under the Public Information Act.

E. No officer or employee of the City shall have a financial interest, direct or indirect, in any contract with the City, or shall benefit financially, directly or indirectly, in the sale to the City of any materials, supplies or services, except on behalf of the City as an officer or employee.

F. The City of Seguin is committed to maintaining fair and open competition as required by local, state, and federal laws and statutes. Every effort is made to maintain the highest level of ethical conduct in every aspect of the procurement process. Sharp business practices or high-pressure tactics will not be tolerated. Qualification and selection of vendors is based on those vendors who share the same high standards of ethical conduct.

6. DESCRIPTION OF GOODS

A. Any catalog or manufacturer's reference in this bid is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate type and quality of material. Any such references are made a part of these contract documents as if incorporated verbatim herein.

B. The term "Or Equal", if used, is intended to allow substitution of a brand which has all the essential performance, features, reliability, and other salient characteristics as the brand name and model stated in the item description. "Or equal" is intended to establish a level of quality and function and is not to be interpreted as a preference for a particular brand. Other brands meeting these minimum requirements will be accepted. Bid submitted on an "OR EQUAL" item must clearly identify the proposed product, the quantity of the product, model, and type, as applicable.

7. PREPARATION OF BID

Bidders will prepare bids in accordance with the following:

A. Specifications are written to encourage competition. The specifications herein shall be the basis of comparison between bidders. There is no intent to discriminate against any supplier or Vendor but rather, to set a definite standard of performance. Bidders are required to quote services and/or equipment that will meet or exceed the minimum or maximum specifications herein.

B. All information required by the bid documents will be furnished. The bidder will print or type its name, in ink, and manually sign the bid sheet. The bid sheet, with original signatures, must be submitted.

C. All prices shall be quoted as required in the specifications. Unit prices will be shown when called for on the bid sheet, and where there is a conflict between the unit price and the total price, the unit price will govern.

D. In case of ambiguity or lack of clarity in stating prices in the bid, Purchaser reserves the right to adopt the price written in words or reject the bid. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of the City.

E. Alternate bids will not be considered unless expressly authorized by the bid documents.

F. The prices quoted in the bid shall be firm and not subject to escalation except where otherwise clearly indicated by the Bidder. If the prices are subject to escalation, Bidder shall provide the basis for the escalation.

G. Any omission in the specifications of any minor requirement necessary to make each unit complete and functional shall not relieve the Supplier of responsibility to furnish any material or equipment necessary.

H. The City reserves the right to request clarification to assist in evaluating the bidder's response when the bid response is unclear with respect to product pricing, packaging or other factors. The information provided is not intended to change the bid response in any fashion and such information must be provided within two days from request.

I. Bidders shall not include federal taxes nor State of Texas limited sales, excise and use taxes in bid prices since the City of Seguin is exempt from payment of such taxes under section 151.309 of the Texas Tax Code.

J. By submitting a bid, each bidder certifies that it is a duly qualified, capable, and bondable business entity, that it is not in or contemplating bankruptcy or receivership and that it is not currently delinquent with respect to payment of taxes assessed by any political subdivision. (See paragraph 11A.(11)).

K. By submitting a bid, each bidder certifies that it does not currently owe any money to the City.

L. If a bid bond is required, the submitted bond must be an original submitted in the form required by the City in the Bid Documents.

8. CLARIFICATION TO BID DOCUMENTS

If any bidder is in doubt as to the true meaning of the specifications, other bid documents, or any part thereof, they may submit a written request for clarification to the Assistant Director of Finance. A request for clarification must be received by the Assistant Director of Finance no later than five (5) days prior to the scheduled bid opening.

9. EXCEPTIONS

If Bidder takes exceptions to any provisions of the specifications, the exceptions must be specifically and clearly identified by section in Bidder's bid, and Bidder's proposed alternative must also be provided in the bid. Bidders cannot take a 'blanket exception' to the entire bid document.

10. ADDENDA

Any clarification or interpretation of the bid, if made, will be made only by written addendum issued through the Purchasing Department and signed by the City of Seguin Assistant Director of Finance. A copy of such Addendum will be mailed or delivered to each person receiving bids. Addenda to the bid documents may be issued in response to a request for clarification or objection, or for any other reason the City considers advisable. Once issued, an addendum becomes a part of the bid documents. All addenda can be viewed and downloaded at the City's website: www.seguintexas.gov. It is the bidder's responsibility to check this site to determine if the City has issued any addenda. The City will not be responsible for any other explanation or interpretation of the bid made or given prior to the award of the contract.

11. REJECTION OF BIDS

A. The City of Seguin reserves the right to accept or reject any or all bids, and to waive any informalities and technicalities. The City of Seguin shall consider all factors it believes to be relevant in selecting the offer that provides the best value for the City including, but not limited to, the offered price. Causes for bidder disqualification and rejection of bids may include, but shall not be limited to:

1. Bidder's current inability to satisfactorily perform the work or service, or the bidder's previous failure to properly and timely perform its obligations under a contract with the City. Purchaser may make such investigation as is deemed necessary to determine the ability of the Bidder to provide the equipment, material, and/or services as required by this specification and to determine the adequacy of the proposed equipment, material, and/or services. The Bidder shall furnish, upon request, all such data and information requested for this purpose. The information provided is not intended to change the bid response in any fashion and such information must be provided within **two** days from request.
2. Bidder's current violation of any City ordinance.
3. Bidder's misstatement or concealment of any material fact in the bid.
4. The bid's nonconformance to law or the requirements of the bid.
5. Failure to use the bid/proposal form furnished by the City of Seguin.
6. Failure to properly complete the proposal.
7. Lack of signature by an authorized representative on the proposal form.
8. Alteration of bid form.
9. Evidence of collusion among proposers.
10. Omission of proposal guarantee (if required).
11. In the event that a bidder is, or subsequently becomes, delinquent in the payment of his, her or its City taxes, including state and local sales taxes, or any other City financial obligation, such fact shall constitute grounds for rejection of the bid, or if awarded the bid, for cancellation of the contract.

12. AWARD OF CONTRACT

A. Factors to be considered in the evaluation of the bids are price, quality, reputation and experience of Bidder, past relationship with City, long term cost, safety record, operating history of equipment, conformance to specifications, delivery, and other factors as deemed appropriate by the Purchaser.

B. The contract will be awarded to the lowest responsible bidder or to the bidder who provides goods and/or services at the best value for the City, based on the base bid plus any selected alternatives provided the amount does not exceed the funds then estimated by the City as available to finance the contract. If the contract is bid with alternatives, the City reserves the right to select any combination of alternatives and will compare all bids using the selected alternatives. If the amount of the bids exceeds the funds available to finance the contract, the City may (a) reject all bids or (b) may award the contract based on the base bid with such deductions as produces a net total which is available within the available funds. Notwithstanding the foregoing, the City reserves the right to reject any and all bids.

C. The City reserves the right to award a contract(s) on the basis of the low bid for each item or the total low bid.

13. CONTRACT

A. This Invitation for Bid (IFB), combined with the Vendor's response (bid) submitted to and accepted by the City, constitutes a contract between the City of Seguin and the selected vendor at the time the Seguin City

Council awards the contract to such vendor.

B. No further documentation is required, although the contracting parties may supplement the contract with further documentation. BY submitting a bid, the vendor agrees to comply with the Terms and Conditions and other requirements set forth in this RFB and to be further bound to the representations and information the vendor provides in his response to this RFB.

C. Acceptance of bidder's offer may be in the form of a "notice of award", a P.O. (purchase order) or a "contract".

THE CITY EXPRESSLY RESERVES THE RIGHT TO ACCEPT, REJECT OR CANCEL ANY AND ALL BIDS and:

- C.** Reissue a bid invitation or proposal;
- D.** Procure any item by other allowable means;
- E.** Increase or decrease the quantity specified, unless the bidder specifies otherwise;
- F.** Waive minor deviations from the specifications when a bid meets the intent of the specifications and consider such bid if it is determined the bid's total cost is lower, the purpose for the bid is improved or not impaired, the bid amounts to the best value for the city, and/or the waiver otherwise results in a measurable benefit on behalf of the city.
- G.** Consider and accept an alternate bid as provided herein when most advantageous to the City;
- H.** Extend any contract when most advantageous to the City;
- I.** Award any bid to multiple parties if it is in the best interest of the City.

A. WARRANTY FOR PRODUCT: The Contractor warrants to the City that all goods delivered will conform to the specifications, drawings, or other descriptions furnished or incorporated by reference, will be of merchantable quality, good workmanship, free from defects, and fit for all purposes specified in this contract. The Contractor shall not Limit or exclude any implied warranties, and any attempt to do so shall render this contract voidable at the option of the City. The City may return goods not meeting applicable warranties to the Contractor at the Contractor's expense.

B. WARRANTY FOR PRICE: The City will pay the price for goods specified by the Contractor's bid. The Contractor warrants its price to be no higher than the Contractor's current prices or charges on orders by others for products or services of the kind and specification covered by this bid contract for similar quantities under similar or like conditions and methods of purchase. In the event Contractor breaches this warranty, the prices or charges shall be reduced to Contractor's current prices or charges on orders by others, or in the alternative, City may cancel this contract without liability to Contractor without liability to Contractor for breach or Contractor's actual expense.

C. SAFETY WARRANTY: Contractor warrants that the goods sold to the City conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA) as amended. In the event the goods do not so conform, the Contractor must correct or replace the goods at the Contractor's expense. If the Contractor fails to do so within a reasonable time, the City, at its discretion, may cause the correction to be made at the Contractor's expense, or may return the goods at the Contractor's expense and terminate this contract.

16. PROTESTS

A. The City Council is the final authority on issues relating to this contract. The Assistant Director of Finance is the City's representative in the award and administration of this contract, and will issue and receive all documents, notices, and correspondence.

The request for review must be delivered in person to the Purchasing Department at the address stated above or by certified mail, return receipt requested, to the mailing address stated above. If the protesting party fails or refuses to request a review by the City Manager within the three (3) days, the protest is deemed finalized and no further review by the City is required. Applicable documentation and other information applying to the protest may be submitted by the protesting party to the Purchasing Department before review by the City Manager. If the protesting party requests a review by the City Manager, such documentation will be forwarded to the City Manager for consideration. A. Bidder is to quote its lowest and best price F.O.B. Destination on each item to shipping location in Seguin, Texas unless otherwise specified in the IFB. Pricing shall include packaging, transportation, unloading, and any trade and cash discounts, which may be taken if earned.

B. The bidder certifies all materials, parts, and equipment supplied or represented in response to this IFB shall

be new and unused unless noted elsewhere in this IFB.

C. The title and risk of loss of the goods will not pass to the City until receipt and acceptance takes place at the FOB point. E. Vendor must keep the City advised as to the status of the delivery. When delivery delay can be foreseen, the Vendor shall give prior notice to the City.

F. Default in promised delivery, without acceptable reasons, or failure to meet specifications without remedy shall cause the City to purchase the goods elsewhere, and charge any increase in cost and handling to the defaulting vendor. This does not limit any other remedies to the City for damage entitled under the Uniform Commercial Code.

18. TERMINATION

A. DEFAULT: Failure by either party to perform any of its provisions will constitute a default and breach of contract, in which case, the other party may require corrective action within 10 days from the date the defaulting party receives written notice citing the nature of the breach. Failure of the defaulting party to take corrective action or to provide a satisfactory written reply excusing such failure within the prescribed 10 days will authorize the other party to terminate this agreement by written notice.

B. CONVENIENCE: The City reserves the right to terminate this contract upon 30 days written notice for any reason deemed by the City Council to serve the public interest. Termination for convenience will not be made when termination is authorized under any other provisions of this contract. In the event of such termination the City will pay the Contractor those costs directly attributable to supplies obtained in compliance with the contract prior to termination. Provided, however, that no costs will be paid to the Contractor which are recoverable in the normal course of doing business. The City is not liable for loss of any profits anticipated to be made hereunder.

C. FUNDING: The City retains the right to terminate this contract at the expiration of each of City’s budget periods. This contract is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

19. PAYMENTS

A. Payment of invoices by the City shall be made in full thirty (30) days after receipt and acceptance of all equipment or performance of services covered by each purchase order. Bidder shall state his bid in accordance with the standard payment terms and conditions of the City of Seguin of Net 30 days. All bids must be stated in terms of dollars and cents, the bidder’s lowest, best, and final price.

B. Invoices submitted or otherwise used pursuant to the bid awarded under this IFB shall be presented to the City in the following form and content:

1. Each invoice must reference the City of Seguin contract, agreement, or P.O. number;

2. Only one contract, agreement, or project shall be billed on a particular invoice;
3. Each invoice must have a billing or invoice number and an Invoice Total.

C. The invoice requirements stated herein shall not be read to disallow or exclude other information that may be otherwise required or requested by the City. Such information required herein must be submitted only on an invoice and not in any other non-invoice form or document.

20. DISCOUNTS

Prompt payment discounts will not be considered in determining low bids and making awards.

21. ASSIGNMENT

No right or interest in the contract shall be assigned, nor delegation of any obligation made by Vendor without the written permission of the City. Any attempted assignment or delegation by Vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

22. WAIVER

No claim or right arising out of a breach of this contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

23. FORCE MAJEURE

In the event that the performance by either party of any of its obligations under this contract is interrupted or delayed by events outside of their control such as acts of God, war, riot, or civil commotion, then the party is excused from such performance for the period of time reasonably necessary to remedy the effects of the events.

24. GRATUITIES

The City may, by written notice to the Vendor, cancel this contract without liability to the City if it is determined by the City that gratuities have been offered to any officer or employee of the City with a view toward securing a contract, securing favorable treatment with respect to the awarding, amending, or the making of any determinations in respect to the performance of such a contract. In the event City, as set forth in this paragraph, cancels this contract the City shall be entitled to recover from the Vendor all additional costs incurred by City as a result of the cancellation.

25. TERMINATION

A. DEFAULT: Failure by either party to perform any of its provisions will constitute a default and breach of contract, in which case, the other party may require corrective action within 10 days from the date the defaulting party receives written notice citing the nature of the breach. Failure of the defaulting party to take corrective action or to provide a satisfactory written reply excusing such failure within the prescribed 10 days will authorize the other party to terminate this agreement by written notice.

B. CONVENIENCE: The City reserves the right to terminate this contract upon 30 days written notice for any reason deemed by the City Council to serve the public interest. Termination for convenience will not be made when termination is authorized under any other provisions of this contract. In the event of such termination the City will pay the Contractor those costs directly attributable to supplies obtained in compliance with the contract prior to termination. Provided, however, that no costs will be paid to the Contractor which are recoverable in the normal course of doing business. The City is not liable for loss of any profits anticipated to be made hereunder.

C. FUNDING: The City retains the right to terminate this contract at the expiration of each of City's budget periods. This contract is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

26. ENTIRETY OF AGREEMENT/AMENDMENTS

This represents the entire agreement between the parties relating to the subject matter of this contract. Any prior

agreements, promises, negotiations, or representations between the parties are not binding unless included in this contract. All amendments to this contract must be in writing and executed by both parties.

27. SEVERABILITY

29. INDEMNITY

The Vendor will indemnify, hold harmless and defend the City and its employees, agents, officers and servants from any and all lawsuits, claims, demands and causes of action of any kind arising from the negligent or intentional acts errors or omissions of the Vendor, its officers, employees or agents. This will include, but not be limited to, the amounts of judgments, penalties, interest, court costs, reasonable legal fees, and all other expenses incurred by the City arising in favor of any party, including the amounts of any damages or awards resulting from claims demands and causes of action for personal injuries, death or damages to property alleged or actual infringement of patents, copyrights, and trademarks and without limitation by enumeration, all other claims, demands, or causes of action of every character occurring, resulting, or arising from any negligent or intentional wrongful act, error or omission of the Vendor or its agents or employees.
