

**POSITION VACANCY ANNOUNCEMENT
CITY OF SEGUIN
“An Affirmative Action/Equal Opportunity Employer”**

CHIEF OPERATOR – Water Treatment Plant # 1108

01/04/12

Re-posted 8/27/12

This is a very responsible supervisory position that also requires technical expertise. Duties include supervising the construction, operation, and maintenance of water treatment and storage facilities, correcting problems encountered and supervision of personnel assigned to the water system. Requires: H.S. diploma or equivalent; Class B Surface Water Certificate from the Texas Commission on Environmental Quality, (or Class C with ability to obtain Class B within 6 months of employment); State of Texas Class C driver’s license and ability to respond to an emergency from residence within 30 minutes. Must be able to demonstrate physical ability to perform essential tasks and successfully complete drug screen prior to employment. Works rotating shifts. Starting salary range is \$15.66/hour - \$18.45/hour dependent upon qualifications. *This position is eligible for a \$2,000 hiring incentive.*

Applications available from the Human Resource Department, City Hall, 205 N. River, Seguin, TX 78155, 830-401-2473 or online at www.seguintexas.gov. Position will remain open until filled.
