

## **POSITION VACANCY ANNOUNCEMENT**

**City of Seguin**

*"An Affirmative Action/Equal Employment Opportunity Employer"*

**\$\$\$ UTILITY ENGINEER**

**# 1305**

**11/04/14**

---

Oversees all Utility Capital improvement projects. Manages construction projects to include review of plans and contract documents, contract negotiations and administration, quality assurance, negotiation of change orders, preparation of cost estimates, monitoring of work progress and review of plans to ensure conformance with City requirements. The Utility Engineer will work closely with consulting engineering firms during development of construction documents, evaluation of bid submittals and administration of the project. This position will also be responsible for identifying and planning for future utility projects. Position requires a civil engineering degree, plus five years of experience in the utility engineering/project management field, two of which involved heavy supervisory experience. Must hold a Registered Professional Engineer certification and a State of Texas Class "C" Driver's license with good driving record. Successful completion of pre-employment drug screen required. Salary dependent upon qualifications. Applications will be accepted at the Human Resource Department, City of Seguin, P.O. Box 591, Seguin, Texas 78155 until position is filled.
