Attach a site plan with dimensions with location of electric service along with a one line diagram showing all conductor sizes, conduit sizes, panel boards and all other related electrical apparatus. It is understood that electric services charges must be paid in accordance with Chapter 102, "utilities". Division 2. "Deposit and Services", Article II, "Electricity", Section 102-52, "Electric Service Charge to Customers" of the City of Seguin Code of Ordinances. Charges will be available after application has been reviewed. **Charges are required to be paid and application for service be made prior to issuance of permit.** Charges are estimates only and good for 30 days only. If additional work is required by the City of Seguin there will be additional charges that will need to be paid.

Master Electrician, Electrical Engineer, or Homestead Owner
