⁷ Annual Facility Purchases: Annual purchases of operating items such as office supplies, cleaning supplies, etc. that are subject to sales tax.

⁸ Purchases of Raw Materials from Local Manufacturers: Purchases of raw materials used in the manufacturing process that are *not* subject to sales tax.

- A. Please provide as much detail as possible regarding employment as the incentive package is directly proportional to the quantity and quality of jobs. Please provide a breakdown of the total number of full time and part-time employees.
- B. What types of jobs will be created? (i.e. professional, skilled and unskilled)?
- C. What will be your company's total annual payroll in Seguin at the end of each yearly benchmark (up to five years) following the opening of your facility?

Fiscal Impact

- A. Will this project affect existing businesses and/or office facilities? If yes, please explain the positive and negative impact.
- B. What infrastructure additions or improvements will be required?
- C. What is the annual projected operating budget of the project or facility?

Community Impact

- A. What effect would the project have on the housing market?
- B. What environmental impact, if any, will be created by the project?

Company/Management Information

Please include the following with your application:

- A. Resume for each principal in your company and anyone in a management position (if different)
- B. Financial statements prepared by a certified public accountant for the three years immediately preceding the application.
- C. Corporate resolution evidencing the legal name of your company and the name of the officer(s) authorized to negotiate contracts for your company.
- D. Three sets of literature on your company (annual reports, brochures, news releases, etc.)
- E. Evidence that management has at least five years of experience in the same type of industry.

Value of Incentives

The Seguin Economic Development Corporation will use the information you provide in determining whether or not it is in the best interest of the affected taxing entities to recommend that incentives be offered to a particular applicant. Specific considerations will include the degree to which the individual project furthers the goals of the community as well as the relative impact of the project. Each application is considered on a case-by-case basis.
