### **Commission on the Arts Launches Video Contest** ***Videos to Highlight Seguin Art Community***

**SEGUIN, Texas** – Do you have a favorite Seguin artist or art venue? The Seguin Commission on the Arts wants you to highlight it through video. The Commission is accepting one to three minute videos explaining why the artist or venue is your favorite.

Consider interviewing your favorite artist to share their story or explain why you find a piece of art interesting. Seguin has a vibrant art community and the Commission is looking to share it with the community and the world.

“We are excited to see the talent that is in Seguin and to be able to share that talent with the world,” Commission Chairwoman Dr. Ana Maria Gonzalez said. “This is a great opportunity for either the novice filmmaker or experienced videographer.”

The videos will be judged on content, quality and message. The top three will receive an award, starting with a \$300 prize for first place.

Videos must be submitted by April 30. For full details, including rules and the application, visit [www.facebook.com/SeguinArts](http://www.facebook.com/SeguinArts). Questions can be directed to Seguin Main Street Program Director Kyle Kramm at (830) 401-2448 or [kkramm@seguintexas.gov](mailto:kkramm@seguintexas.gov).
