

# Know your ZONE

The City of Seguin has amended its Brush Policy and Guidelines in order to better serve the needs of the community.

Effective October 6, 2014 the following changes take effect:

- ◆ Properties that do not have active utility accounts will be provided brush service. Previously only properties with active accounts were serviced.
- ◆ The city will be divided into five zones that are serviced on a five-week rotating schedule. This is a change from the previous four zone, four-week schedule.

It's now important to **KNOW YOUR ZONE!** Under the previous schedule, it was important to know your week. With a five zone, five-week schedule, your brush collection week will change month-to-month. Click the [Brush Collection Information](#) link on the left side of the City of Seguin website homepage, [www.seguintexas.gov](http://www.seguintexas.gov), to see the brush zone map, a list of streets by zone and updated zone collection schedules. Remember, your collection week will change monthly, so please **KNOW YOUR ZONE.**
