Municipal Court Cancelled September 23 ***Required Technology Temporarily Out of Service***

UPDATED (3 p.m.) - The Municipal Court network problem is now fixed. Lightning burned a section of network cable on the Wi-Fi radio causing a very slow connection. The cable has been replaced and the network is working again.

ORIGINAL: SEGUIN, Texas – Technology issues at Seguin Municipal Court have forced today’s docket to be cancelled. Internet and phone service at the court building are currently out of service.

Persons scheduled to appear today are asked to appear at the same time Tuesday, September 30. If that date presents a scheduling conflict, please contact the court (when phones are available) to reschedule.

The City of Seguin thanks everyone for their patience as staff works diligently to resolve the issues. We will provide an update when the technology is restored.

No other city departments or facilities are affected by the outage.
