Seguin Public Library Sponsors Free Online Practice Driving Tests ***Free Program Enables Patrons to Practice Online for Driver Permit Test***

SEGUIN, Texas – The Seguin Public Library is pleased to announce that it has expanded its electronic collection by partnering with Driving-Tests.org to offer free, online Texas driver permit practice tests.

Driving-Tests.org is an online learning software that offers a highly realistic simulation of the DMV written test. The website is based on the 2014 Driver's Handbook and it allows users to practice their skills before taking the real DMV test.

The Seguin Public Library's website provides practice tests for the State of Texas. Practice tests are available for both the automobile and motorcycle driving exams. The database also contains the Driver Handbook and study and reference guides. In addition to offering permit practice tests, Driving-Tests.org provides tips for getting or renewing your driver's license.

"Every driving practice test presented on the site contains a series of multiple choice questions," Seguin Public Library Assistant Director Silvia Christy said. "After the learner answers the question, they immediately see whether their answer was correct. It also provides a hint to be used before giving an answer and an explanation after you have provided a wrong answer."

Links to the driving test database will be provided on the library's homepage and the teen's webpage. Patrons will need to have a valid Seguin Public Library card to access the online exams. Driving-Tests.org exams are for personal practice purposes only and can't be used as proof of DMV course completion.

For further information please contact Seguin Library Assistant Director Silvia Christy at (830) 401-2426 or schristy@seguintexas.gov.
