Fall Clean-up Day set for Oct. 17th

SEGUIN, Texas – The City of Seguin is again offering residents the opportunity to get rid of unwanted items. The 2015 Fall Clean-Up Day is scheduled for Saturday, October 17th from 8 a.m. until noon.

“We want folks to take advantage of this service. The city hosts clean-up days every spring and fall. We hope citizens make it a habit to clear out their yards and homes of unwanted/broken/old stuff. We’ll take care of the next step, getting it disposed of properly,” said Morgan Ash, Public Information Officer.

Seguin residents are encouraged to bring unwanted items from around the home for free disposal at the Coliseum parking lot. Participants must show a photo ID or utility bill to prove they reside within city limits. City employees and Progressive Waste Solutions personnel will be available to assist residents unloading vehicles and trailers.

Automobile tires will be accepted, however tractor, mower, bicycle and ATV tires will not be collected. Tires with rims or tires larger than 19.5 inches are not allowed. Tires from local businesses will not be accepted.

Paper shredding will also be available as a free service at the event. Residents are encouraged to bring any documents containing sensitive information for secure on-site shredding and disposal.

Brush, hazardous chemicals, construction or building debris, old fences, sheds or torn down building materials will not be accepted. Appliances with Freon or other refrigerants are not allowed.

Questions can be direct to Tommie Mutschler at (830) 401-2416. Media can contact PIO.
