## **Municipal Court Supervisor Receives Statewide Award**

**SEGUIN, Texas** – City of Seguin Municipal Court Supervisor Landra Solansky was recently presented a statewide award from the Texas Court Clerks Association.

“Landra is dedicated professional who does an excellent job administering Seguin Municipal Court,” Seguin City Manager Doug Faseler said. “She excels at providing quality continuing education to fellow municipal court administrators across the state.”

Solansky, the president of the Freedom Trail Chapter of the TCCA, was presented the Outstanding Achievement in Education Award during the association’s annual conference in October. Solansky is recognized for offering training to more than 200 city and county employees in her region.

“I was honored to receive this award from my colleagues across the state,” Solansky said. “I could not have accomplished the training without support from the City of Seguin, the Municipal Court staff and the members of my chapter.”

Solansky has been employed with the City of Seguin since September 2008.
