## **City of Seguin Announces Employee of the Month**

### ***Anna Arce Receives May 2014 Honor***

**SEGUIN, Texas** – The City of Seguin Employee Advisory Committee is pleased to announce Anna Arce as May 2014 Employee of the Month.

Anna has been employed with the City of Seguin since May 2006 and currently holds the position of Library Assistant at the Seguin Public Library.

Anna is being commended for demonstrating a high level of commitment to public service by going above and beyond what is expected to provide quality customer service. Anna recently handled the labor-intensive task of updating the library's collection database.

"For several months, Anna would come in early in the mornings when the library was closed to work on the project," Assistant Library Director Silvia Christy said in her letter nominating Anna. "Handing most of the database cleanup herself allowed us to utilize other staff members for other projects which resulted in a useful allocation of resources."

The City of Seguin congratulates Anna on a job well done!
