Mayor Proclaims “National Day of Prayer”

May 1, 2014 Event Recognized Nationally

SEGUIN, Texas – Mayor Don Keil has proclaimed May 1, 2014 as “National Day of Prayer” in the City of Seguin.

“Throughout our history, Americans have turned to prayer and reflection during times of strength and times of difficulty, in moments of joy and moments of despair, seeking comfort, giving thanks, asking for God’s guidance and abiding grace,” Keil said. “As a community we understand the common bonds that unite us and give us hope in times of trial and times of joy and contentment.”

The proclamation was presented during the Guadalupe County Ministerial Association’s “One Voice United in Prayer” event May 1 in Central Park.

About National Day of Prayer

The National Day of Prayer is an annual observance held on the first Thursday of May, inviting people of all faiths to pray for the nation. It was created in 1952 by a joint resolution of the United States Congress, and signed into law by President Harry S. Truman. Our Task Force is a privately funded organization whose purpose is to encourage participation on the National Day of Prayer. It exists to communicate with every individual the need for personal repentance and prayer, to create appropriate materials, and to mobilize the Christian community to intercede for America’s leaders and its families. The Task Force represents a Judeo Christian expression of the national observance, based on our understanding that this country was birthed in prayer and in reverence for the God of the Bible. About the City of Seguin

Seguin, Texas is located along Interstate 10, about 35 miles east of San Antonio. Seguin is big enough to boast a top-rated university and a state-of-the-art hospital. More than 25,000 residents enjoy a range of cultural, recreational, and employment opportunities. Seguin’s robust diversified economy features a steelmaker, a manufacturer of automotive parts and plants making roadside mowing equipment and building materials. In 2009, Seguin was proud to be selected by Caterpillar as the site of a major new engine manufacturing facility.
