# Recommends "Nextdoor.com" for Neighborhood Crime Prevention

Seguin Police Department is recommending to it's citizens to become members on the free private social network called "Nextdoor."

Nextdoor.com is the free and private social network just for you and your neighbors. It's PRIVATE and only you and your neighbors will see your neighborhood posts.

On Nextdoor, neighbors share crime and safety concerns, local events, safety recommendations, items for sale/free, ideas about how to make our neighborhoods better, and more. Your local neighborhood could be using a private online network called Nextdoor. Seguin Police Department will begin to use & communicate on Nextdoor, in addition to Facebook 

Keep in touch with events and criminal activity!

Nextdoor has agreed to let law enforcement pipe in to alert residents about a road closure or an increase of neighborhood burglaries, ask for tips to solve a crime, or warn residents about a suspected criminal.

They even have an app! Join the Seguin Police Department and it's efforts to inform our citizens about what's going on, and just as importantly, you tell us what's going on in your neighborhood! Go to Nextdoor.com and start setting up your neighborhood!
