Mr. Bill Campaigne motioned to approve the minutes and Mrs. Cathy Fennel seconded the motion.

5. Update on new Animal Services Facility.

Two handouts were provided on the animal shelter design development. In May 2014, City Council authorized staff to enter into an agreement with Quorum Architects to prepare architectural design and construction documents for the construction of a new Animal Services Facility. After considering sites throughout the city, the site on the corner of Fred Byrd Drive and Business 123 was selected and approved by City Council on April 7, 2015. The site was selected due to its excellent visibility and accessibility to the public. In addition, this site is owned by the City, thus saving the expense of purchasing property.

6. Adjournment.

Meeting was adjourned at 12:20 p.m.
