A three-week look ahead (beginning January 5) on the River/San Marcos/Heideke Street Project indicates closures affecting portions of Mountain, River, Bauer and Milam Streets.

Water service and tie-ins on Mountain Street between River Street and Gravel Street will necessitate miscellaneous closures. The installation of storm drain inlets and sewer line work will require miscellaneous closures of River Street from Mountain Street to College Street. Storm drain work will call for the closure of Bauer Street from Mountain Street to Court Street. Milam Street from Mountain Street to Nolte Street will close in miscellaneous locations for the same work.

Notes and Reminders

As always, please obey signs and exercise caution while driving in construction zones.
