**RAVE GEARS, LLC. CELEBRATE RIBBON CUTTING NOVEMBER 5**

SEGUIN, TX. – The Seguin Economic Development Corporation and City of Seguin announced today that Rave Gears, LLC. will hold a ribbon cutting ceremony on Monday, November 5 at 10:30 a.m. to celebrate the completion of their 20,000 square foot manufacturing facility. The event will be held at the Rave Gears facility located on Stempel Road, east of 123 Business.

The project is a strong investment in our community's economic vitality. The headquarters and manufacturing operations will strengthen our local workforce. The project will create over \$3 million in new capital investment and 60 new jobs over five years.

“This unique project will help further diversify our local economy as well as bring quality jobs and new capital investment into the community,” Terry Treviño, executive director of the Seguin Economic Development Corporation, said “We are excited to welcome Rave Gears as our business partner and look forward to their success.”

Rave Gears will specialize in the manufacturing of precision gears for the aerospace, automobile racing, and recreational vehicle industries. The company's management team includes Nick Patel and Bruce Roberge and has combined experience of over 35 years in specialized gear manufacturing. Nick Patel has been a member of the Seguin business community for years as the owner and operator of the Holiday Inn Express and Hampton Inn hotels.
