Anita Gomez recognized as September Employee of the Month

SEGUIN, Texas – It’s a tough job, but somebody has to do it, and Anita Gomez does it with a big smile. That’s why Gomez is our September Employee of the Month.

“I am surprised and honored for the recognition. Coming to work with a positive attitude gets me and my co-workers through the day,” said Gomez.

Gomez answers every call to the City Hall main phone number. She either finds an answer or directs the caller to the right department. Pam Herrera, Public Works Assistant was so impressed with her ability to handle any situation that she nominated her for Employee of the Month.

“I recommended Anita because of the amount of brush calls we had from April to June. There were numerous delays due to weather and equipment problems, but she took initiative and dealt with many of them herself without having to ask other co-workers,” said Herrera, “Public Works could not have kept up with all the calls we were getting... but Anita always has a pleasant demeanor with the public, and is a definite asset to the city.”

Gomez received a plaque of recognition and a gift card.

The City of Seguin congratulates Anita Gomez for her exemplary service to our community!
