WALKING WALNUT SPRINGS

Bob Thaxton/Gazette Enterprise

TOP: Members of the Walnut Branch Committee were accompanied by city staff on a walking tour of Walnut Springs Park on Feb. 16. Committee members were shown the locations of signs, park benches, trash receptacles and a bicycle rack to be installed as workers complete Phase 1 of the park located along the creek between Guadalupe, Court and Nolte streets. The park is expected to be completed in March and will be formally dedicated in a ceremony scheduled for May 14.

RIGHT: Main Street Program Director Mary Jo Filip points out features along the walking path as committee members and officials take an early glimpse at the park.
