Stage 1 Water Restrictions Initiated in the City of Seguin

Water customers encouraged to limit water use and adhere to water restrictions

Seguin City Manager, Douglas Faseler, has initiated Stage 1 Water Restrictions of the Drought Contingency Plan in the City of Seguin. During Stage 1 Water Restrictions residents are required to:

- Water landscape only during the hours of 8:00 p.m. to 10:00 a.m. (Watering with reuse water is exempt from reduction measures.)
- Soaker hoses and watering by hand are permitted.
- Look for ways to voluntarily reduce water consumption.
- Conserve water as the waste of water is prohibited.

If conditions persist, it may be necessary to move to Stage 2 or 3 Water Restrictions. During Stage 2 or 3 additional restrictions will be implemented. Those who have questions regarding water restrictions in the City of Seguin may call Citizens Relations at 401-2445.
