## **Court Street Traffic Diversion Advisory** ***Westbound Traffic Diverted to Center Turn Lane***

**SEGUIN, Texas** – Traffic along the westbound lane of Court Street near O’Riley Auto Parts is being diverted into the center turn lane. Barricades are set up from approximately the 1000 block to the 700 block.

The lane closure is necessary due to settling of the road cause by underground drainage work. The length of the lane closure is to be determined.

**About the City of Seguin**

Seguin, Texas is located off Interstate 10, about 35 miles east of San Antonio. Seguin is big enough to boast a top-rated university and a state-of-the-art hospital. More than 25,000 residents enjoy a range of cultural, recreational and employment opportunities. Seguin’s robust diversified economy features a steelmaker, a manufacturer of automotive parts and plants making roadside mowing equipment and building materials. In 2009, Seguin was proud to be selected by Caterpillar as the site of a major new engine manufacturing facility.
